

Radius and Bend Angle are NOT the same thing!

Confused about bending terminology?

It can be confusing to figure out everything you need to know to make good bends.

What are you bending?
What material are you using?
What are your production requirements?

Scary stuff!

Scary? No, not really.

Does Ercolina have a FAQ page to help answer basic bending questions?

Of course we do!

<http://www.ercolina-usa.com/faqs.htm>

And you can always call us for assistance!
